## COMPANY PROFILE

At ABIL, we believe in constantly reinventing ourselves to overcome the challenges of a dynamic business environment and ensure that sustainable expansion, excellence, inclusion, equality and efficiency are our core values. These are backed with strong and a well-defined long-term vision, which has led us to become one of the leading business conglomerates. We are a dominant force with expertise in Real Estate, Infrastructure Development and Hospitality.

We endeavor to bring about innovation by providing incomparable value combined with flexibility and risk-taking ability. We also believe in leadership by delivering exceptional performance in every domain. While world-class construction has remained our focus, we have stayed ever mindful of the need for corporate governance and sustainable development. Like our structures, our business is built on a solid foundation of multiplying value, passion for excellence, adaptability and a keen concern for the environment in which we operate.

We are committed to achieve excellence in all businesses that ABIL Group ventures into, with the objective of becoming an organisation that all its employees and associates are proud of.
